Webinar

CharityVillage® offers free, monthly webinars to nonprofit and charity leaders, staff, and volunteers focused on a variety of topics of interest to professionals working in the Canadian nonprofit sector. We invite subject matter experts to co-host webinar sessions and receive brand exposure through the active promotions of the webinar and facilitation of the session.

Webinar Package

Webinars are 60 minutes in length. All webinars are recorded and kept live on the CharityVillage site and YouTube channel. The recordings are sent to registrants who could not attend the live session. CharityVillage webinars generate a range of 1,000 to 3,000 registrants, all reliant on the subject matter. The live attendance rate is 25-30% of the total number of registrants - higher levels are generated with subject-matter resonating with a broader audience. Below is a list of what is included within a webinar package, which is very fulsome.

- Dedicated **Landing Page** to promote the session, with the option of branded graphics.
- **Dedicated Eblast** to the CharityVillage webinar subscription list of more than 115,000 active subscribers.
- **Featured Article** distributed in Village Vibes and on **Social Media**.
- Registration page is promoted throughout the promotional period in **Village Vibes, Webinar Round Up Eblasts**, and on social media.
- Advertisers receive a **Lead List** comprised of attendees who have expressed interest in being contacted by the presenter.

Pricing

\$9,000 per webinar package.

Advertiser Eblasts

CharityVillage® offers advertisers the opportunity to promote dedicated eblasts to our Partner List of over **135,000** active subscribers averaging **20-30%** open rates. Eblasts can range from new research reports for the sector to upcoming conferences that may be of interest to nonprofit professionals.

Pricing

\$5,900 per eblast.

Six tips for successful executive director performance reviews

Let's be honest: most people are not big fans of the annual performance review process – regardless of what side you are on. Managers typically see them as an inconvenience and employees tend to dread them. Add in awkward vibes and convoluted processes and you've got the potential for a lot of blood pressure to rise! So knowing the above, how does this play out for the Executive Director/CEO of a non-profit? [READ MORE.](#)
